User's Guide to the Salisbury/Sharon Transfer Station (SSTS)

Upon entering the SSTS, you will see the gate booth. The Gate Attendant will collect recycling/disposal fees before you dump. The last page of this handout details the 2023-2024 price list.

What to remember at the SSTS?

- Please remember that plastic bags, foam, black plastics, and shredded paper go into the Garbage Hopper!
- Bottles, cans, paper, cardboard, and clean pizza boxes should be recycled in the Single Stream Hopper!
- Please drive carefully and watch for people walking. Speed limit is 10mph Max!
- Please keep pets inside the vehicle, and wear shoes. Sometimes sharp or dirty items can be on the ground, sidewalks, or floors.
- The Swap Shop is generally open from 9a-3p on full days, 9:30-12:30 on Sundays.
- Questions? Ask a staff member for help! Please use the Call Boxes to call us on the radio. Call Boxes are located at the Office, the Paint Bldg, & by the Garbage Hopper. **Remember, after we answer, push the button to talk, let go to listen!*
- Please have your blue SSTS sticker on the outside of your windshield by Aug 1st.
